

SMOKING

Pursuant to Ark. Code Ann. § 6-60-801 et seq., smoking or the use of e-cigarettes is prohibited on all University property including buildings, grounds, and vehicles. As defined by law, e-cigarettes includes vaping and other electronic nicotine delivery systems. Any person who is convicted of a violation of this smoking prohibition shall be punished by a fine. Each campus, division or unit is responsible for establishing, promulgating, and enforcing policies on smoking.

~~The Chancellors and campus administrators, the Vice President for Agriculture, the Director of the Criminal Justice Institute and the Director of the Arkansas Archeological Survey are responsible for establishing, promulgating, and enforcing policies on smoking for their respective campus, division, or administrative unit of the University of Arkansas.~~
