

ESTABLISHMENT OF PROVISIONAL POSITIONS

I. Purpose

The purpose of this policy is to establish the parameters for provisional positions, which are positions not authorized under the appropriation act for a campus, unit, or division of the University of Arkansas System, but which may be authorized by the Arkansas Division of Higher Education (ADHE) if additional federal funds, private gifts, grants, or collections become available during the biennium.

II. General

The Board of Trustees delegates to the President ~~of the University of Arkansas~~ the authority to establish provisional positions for those positions fully funded through additional federal funds, grants, private gifts, or collections and contracts. The salary rates for these positions are not to exceed the highest maximum annual salary rate for any position authorized in the regular section of the requesting campus's appropriation act for operations. To assure ensure compliance with all applicable state laws, each campus, unit, or division shall develop appropriate procedures for requesting such positions. Yearly, The President shall, in consultation with the appropriate state agencies, develop procedures to assure compliance with all applicable state statutes. ~~t~~ The President shall report annually to the Board of Trustees any provisional positions established pursuant to this policy.
