### RESOLUTION

BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ARKANSAS THAT the Board hereby approves the new academic degree proposals set forth below:

### University of Arkansas at Monticello

• Graduate Certificate in Forestry Business

# University of Arkansas at Pine Bluff

Bachelor of Science in Engineering

BE IT FURTHER RESOLVED THAT if enrollment and budget goals have not been met upon evaluation of the programs after five years the programs will be discontinued.

BE IT FURTHER RESOLVED THAT the President is hereby authorized to submit these proposals to the Arkansas Division of Higher Education for appropriate action.

# UNIVERSITY OF ARKANSAS AT MONTICELLO

Graduate Certificate in Forest Business

### DEGREE COST AND SALARY EARNINGS

# 1. Expected cost to students to earn the credential

Total estimated cost of tuition and fees for 15 graduate credit hours equals \$5,880 for in-state students.

# 2. Expected starting salary

For students entering practice right after graduation, the starting salaries can range between \$78,900 and \$102,203.

# 3. Expected salary after 5 years

After five years of practice, the salaries will range between \$90,735 and \$117,533 (or more).

#### UNIVERSITY OF ARKANSAS AT MONTICELLO

Graduate Certificate in Forest Business

#### NEW DEGREE PROGRAM

#### 1. PROPOSED PROGRAM TITLE:

Graduate Certificate in Forest Business

## 2. PROPOSED STARTING DATE:

July 1, 2023

#### 3. CONTACT PERSON:

Ms. Crystal Halley, Vice Chancellor of Academic Affairs E-mail Address: Halley C@uamont.edu / Phone Number: 870-460-1032

Dr. Michael Blazier, Dean, College of Forestry, Agriculture, and Natural Resources E-mail Address: blazier@uamont.edu / Phone Number: 870-460-1052

#### 4. PROGRAM SUMMARY:

The Graduate Certificate in Forest Business offers coursework that prepares individuals to work in the areas of consulting forestry, forest industry logistics and supply chain management, and finance and investment in forests. Coursework will consist of instruction and hands-on experience in forest finance, timber appraisals, business leadership, forest operations and forest products supply chain management. This proposed program requires seven additional graduate-level courses (24 total credit hours, 15 of which will be required to earn the certificate) in the College of Forestry, Agriculture, and Natural Resources. These courses will be delivered by 4 PhD faculty who have been hired by the Arkansas Center for Forest Business - a permanently funded sub-unit in the College of Forestry, Agriculture, and Natural Resources at UAM. We will also use existing faculty in the CFANR and School of Business, existing library resources, facilities and equipment, so there are no new costs associated with the delivery of this certificate program. The program can be completed in 2 semesters and all courses are offered in a hyflex format, simultaneously in-person and on-line. All courses will be scheduled after regular work hours to permit working students to enroll in the program.

#### 5. NEED FOR THE PROGRAM:

The College of Forestry, Agriculture, and Natural Resources regularly monitors employment needs of Arkansas' natural resource management industries and organizations. For the past several decades, forests and forest industry have contributed substantially to the economic well-being of rural Arkansas and has had significant cultural influence. Currently, in terms of percentage of state total GDP, Arkansas is the third most timber economy in the United States and the most timber dependent economy in the US South. Annually, forestry contributes more than \$6 billion in state GDP and supports more than 60,000 jobs in the state.

To assess the needs of the forestry profession in Arkansas for advanced forest business classes, a survey was sent to all 406 foresters who hold a current license to practice forestry in Arkansas. The survey had 94 responses, a 23% response rate.

Respondents indicated that a certificate program in forest business would be very to extremely useful (44%) and another 27% reported that it would be moderately useful. Only 2% stated that it would not be useful at all. Offering the class in an on-line or hybrid format was desired by 99% of respondents, and they strongly preferred (85%) evening hours during the weekdays.

In terms of forest business education, the respondents reported a high interest in financial analysis and decision making (62%), valuation and appraisal (53%), forest products marketing (49%), accounting (37%), advanced forest economics (36%), forest operations and supply chain management (34%), and forest policy and law (28%). While life cycle analysis had a high value only 8% of the time, we felt that many foresters are unfamiliar with the topic and the competitive advantage that such analysis gives to renewable and carbon sequestering products.

In terms of skill level, respondents indicated that a proficient to expert-level knowledge in application were most important for financial decision making (52%), forest products marketing (49%), and valuation and appraisal (46%). Beginning level application was most favored in basic business accounting (49%), forest taxes (44%), forest operations and supply chain management (40%), human resource management and leadership (39%), and life cycle analysis (38%).

Comments received from respondents included a need for sales experience in forest products, negotiation and persuasion, and business decorum. GIS application was quoted as a need, and also a knowledge of timber supply and wood baskets. These subjects are covered in one or more of the courses in the proposed curriculum.

Through communications with forestry professionals it is apparent that there is an increased demand for individuals with the skills and knowledge to provide advanced business skills in forest management and operations. We anticipate 10-20 students per year enrolled during the initial 3 years, with the same number of graduates per year. Return on investment for students:

## 1. Expected cost to students to earn the credential

Total estimated cost of tuition and fees for 15 graduate credit hours equals \$5,880 for in-state students.

#### 2. Expected starting salary

For students entering practice right after graduation, the starting salaries can range between \$78,900 and \$102,203.

## 3. Expected salary after 5 years

After five years of practice, the salaries will range between \$90,735 and \$117,533 (or more).

#### 6. CURRICULUM:

The certificate curriculum consists of 7 new courses totaling 24 hours. However, students are required to complete only 15 hours of courses. This can be accomplished with 4-5 courses (4 if independent study is elected for 6 hours). Three courses are required, so students will have 1 or 2 electives in their programs.

Students are required to complete 15 hours of coursework to earn their Certificate in Forest Business. There are three required courses (listed below) and four elective courses, including an independent study course that can account for up to 6 hours of credit.

#### Curriculum Outline:

# Semester I Required

NRM 5XX3 Forest Finance

NRM 5XX3 Leadership in a Forest Business

Available Electives

NRM 5XX3 Forest Operations and Supply Chain Management

NRM 5XX3 Independent Study in Forest Business

NRM 5XX3 Forest Appraisals

#### Semester II Required

NRM 5XX3 Forest Products Marketing

Available electives

NRM 5XX3 Life Cycle Assessment of Forest Products

NRM 5XX3 Forest Appraisals

NRM 5XXV Independent Study in Forest Business

# Course Descriptions for New Courses:

NRM 5XX3 Forest Finance

Exercises and readings will provide students with the ability to conduct advanced timberland investment analyses. Topics include decision-making regarding forest projects, timberland appraisal, taxation of forest operations and income, capital budgeting techniques, and financial statements

# NRM 5XX3 Leadership in a Forest Business

A series of learning modules that investigate communication, effective management, team performance, self-awareness, and problem solving. Each module will include discussion, group exercises, and practical, out of classroom assignments.

## NRM 5XX3 Life Cycle Assessment of Forest Products

The class will provide an overview of life cycle assessment (LCA) theory and framework, case studies of LCA applications with various forest products, and the use of LCA tools/methodologies/databases with a hands-on project. Systems thinking and linkages with other economic and social sustainability measures are emphasized.

## NRM 5XX3 Forest Products Marketing

With a focus on forest products, this course integrates marketing concepts, use of digital media for marketing strategic messages, market analytics tools and statistical analysis of market data.

## NRM 5XX3 Forest Operations and Supply Chain Management

Students will use quantitative operations research techniques to the supply chain and management of the supply chain from timber production to final consumer purchase and satisfaction.

# NRM 5XX3 Forest Appraisals

Students will learn and discuss forestry specific appraisal techniques while working independently on becoming a State Registered Apprentice (RA) Appraiser in Arkansas

#### NRM 5XXV Independent Study in Forest Business

This course can be a practical project designed by the faculty advisor and student or a period of work in an internship or regular employment scenario where the work is applicable to some aspect of forest business. The student and a faculty advisor must meet and agree to the particular independent study and complete Independent Study Approval forms and modify this syllabus and have the study approved PRIOR to the start of the semester.

#### Information Received from Potential Employers About Course Content:

Several areas of knowledge and skills are in demand. The courses in this curriculum will provide content that addresses the need for competency in these areas. Specific skills required by potential employers include:

- Advanced financial decision-making skills in forestry
- Appraisal and valuation
- Forest products marketing
- Accounting
- Forest operations and supply chain management
- Advanced forest economics
- Forest taxes
- Policy and law

- Leadership and human resource management
- Life cycle assessment

### 7. FACULTY:

The proposed program will be implemented by existing faculty. All faculty are accomplished teachers and scholars.

The Arkansas Center for Forest Business has a current search for one additional PhD-level faculty member who will have subject area expertise in forest operations, logging systems, or global trade in wood products.

#### 8. DESCRIPTION OF RESOURCES:

Current resources are sufficient to effectively deliver the proposed program.

# 9. NEW PROGRAM COSTS – Expenditures for the first 3 years:

Faculty salary (0.7 FTEs)	\$65,050
Fringe Benefits (31%)	\$20,165
Annual Advertising	\$ 3,000
Annual software and database licensing	\$ 6,000
Technology Purchase	\$11,406

The initial technology purchase will add the following equipment to room C-106 in the Forestry Complex:

65" smart touchscreen monitor	\$ 4,799.00
AI driven meeting camera (Owl Labs)	\$ 1,049.00
Owl Lab Whiteboard Camera	\$ 599.00
Smart whiteboard	\$ 3,599.00
Adaptors, microphones, connectors	\$ 1,000.00
Total	\$11,046.00

Assuming equipment replacement every 5 years, the annualized cost of the certificate program is \$101,296.

Since the Arkansas Center for Forest Business already has permanent funding adequate to pay for these expenses, essentially no new costs are required for program implementation. The faculty are all new hires for the Forest Business Center, if they were not teaching courses, they would devote 100% of their time to research and extension work. But the proposal to the State Assembly indicated that these new faculty would each have a 30% teaching appointment in forest business classes. Resources (administrative, instructional, and faculty) used to deliver current programs in natural resources management, forestry, agriculture, and wildlife management are adequate for delivery of the proposed program. The proposed Graduate Certificate is efficiently integrated into our existing graduate program.

# 10. SOURCE OF PROGRAM FUNDING – Income for the first 5 years of program operation:

Projected annual student enrollment during the first 5 years is 10-20.

Enrollment estimates for the first five years are:

Year 1 - 10 students

Year 2 - 15 students

Year 3 - 20 students

Year 4 - 25 students

Year 5 - 25 students

	In-state	Out-of-state
Tuition per credit hour	\$ 281.00	\$ 526.00
Fees per credit hour	\$ 111.00	\$ 111.00
Total cost for 15 hours	\$5,880.00	\$9,555.00

Based on the annualized cost in item 10 (above), the break-even number of graduates in the program would be 19. We anticipate exceeding this number by the end of three years with a target enrollment of 25 to 30 students. However, as stated above, no additional state general revenues are requested for the proposed program as the Arkansas Center for Forest Business has permanent funding for its faculty and operating expenses.

#### 11. SIMILAR PROGRAMS:

There are no similar programs in the state. Auburn University in Alabama offers a Forest Finance & Investment Graduate Certificate that requires 15 credit hours at \$850 per credit hour for a total cost of \$12,750. Auburn University also offers a complete online Master of Forest Business & Investment degree program. This degree requires 31 credit hours at an approximate cost of \$26,350. The course listings for these degrees is similar to the certificate program proposed here.

#### 12. INSTRUCTION BY DISTANCE TECHNOLOGY:

Online courses will be used for ALL courses in this Graduate Certificate. We will utilize existing distance technology to deliver material in a hybrid environment. The Arkansas Center for Forest Business has funding sufficient to equip two classrooms for remote learning in addition to the existing classroom resources. Blackboard and Zoom will be used to provide delivery of material and also to interact with students in discussion/mentoring sessions.

Dr. Charles R. Colen, Jr., Chair/Full Professor, Department of Industrial Technology Management & Applied Engineering

E-mail Address: colenc@uapb.edu / Phone Number: 870.575.8880

### 4. PROGRAM SUMMARY:

The Bachelor of Science in engineering degree will be cutting-edge, innovative and market-driven in order to prepare students for today's industry demands. Two tracks will be offered as a part of the program: (1) Construction Project Management and (2) Industrial Manufacturing. The student and program outcomes for this multidisciplinary track degree will have positive impacts and implications on the state of Arkansas. Additionally, the program will assist the nation in increasing the number of underrepresented minorities pursuing and successfully completing STEM, more specifically engineering, degrees.

The Bachelor of Science in engineering degree will fill a major void in the United States. As well as a special need in the Arkansas Delta region including being the first ABET accredited engineering program at a Historically Black College or University (HBCU) within the state of Arkansas and only the 16th historically black institution in the United States. This program will provide companies within Arkansas, surrounding states and the nation with a pool of qualified employees and potential partnership opportunities. Students, especially African Americans, Hispanics and Blacks, who are interested in engineering at an HBCU within the state will now have the option of attending UAPB. Those students will be targeted along with students of all ethnic backgrounds. Some of the degree programs and emphasis areas currently offered at UAPB that support the proposed program are Agriculture, Agriculture Engineering, Biology, Chemistry, Computer Science, Mathematics, Physics and Industrial Technology Management & Applied Engineering.

#### 5. NEED FOR THE PROGRAM:

Engineers have a role in creating a variety of structures and products across the State, Nation and the world. The U.S. Bureau of Labor Statistics (BLS) projects employment growth with nearly 140,000 new jobs expected for engineers over the 2020–30 decade. In 2021, engineers had a median annual wage of \$104,000 more than twice the median wage for all workers.

The targeted engineering fields requested in the proposal provide for Arkansas, a much needed set of skills and knowledge to advance the workforce. The state of Arkansas has made a strong push for STEM development within the state. In connection with activities and commitment to help advance the industrial growth of the state the development of this degree will assist with this task. There is a great demand for graduates that apply knowledge of engineering to construction and production with the overall goal of improving efficiency. All facets of individuals residing in Arkansas benefit from these improvements. The demand for engineers is growing and this program is designed to address the overall knowledge base to address this goal.

Nationally, according to Occupational Outlook Handbook "Employment of Construction Managers (8 % growth) and Industrial Engineers (10% growth) from 2022 -2032 will grow faster than the average for all occupations. The need to increase the number of individuals with these skill sets is in high demand.

According to the Bureau of Labor Statistics (BLS), there are currently 284,750 active positions for construction project managers in the United States, and an additional 36,400 construction managers will be needed in the next ten years not counting attrition in the current pool. The mean annual average wage according to the BLS data is \$108,210. About 41,500 openings for construction managers are projected each year, on average, over the decade. Many of those openings are expected to result from the need to replace workers who transfer to different occupations or exit the labor force, such as retirement. (BLS, 2022).

According to the Bureau of Labor Statistics (BLS), there are currently 301,000 active positions related to industrial manufacturing in the United States. The job outlook for this sector is predicted to grow at 10% over the next ten years adding 30,600 positions. The median pay for workers in this field is approximately \$95,000 as of May 2021.

Please see the Program Demand Report in Appendix A to address highlighted section.

# 8. NEW PROGRAM COSTS – Expenditures for the first 3 years:

The University of Arkansas at Pine Bluff has adequate physical facilities needed to conduct a quality undergraduate program in Engineering. Many of the courses required for the curriculum have existed in the Pre-engineering curriculum. We plan to hire two new full-time faculty to enhance the overall instruction and research components of the program along with 2-3 part-time faculty as the program grows. The projected cost of the program is displayed in the table below with funding covered by State General Revenue funds (E and G), Title III funds and other dollars.

Projected New Program Costs for 3 years	Amount
New administrative costs (number and position titles of new administrators and clerical) \$150K	\$150,000
Number of new faculty (full-time and part-time) and costs – 2FT \$270K and 3PT\$30K	\$300,000
New library resources and costs	\$50,000
*New/renovated facilities and costs -\$1.5 M	\$1,500,000
New instructional equipment and costs \$750K	\$750,000
Distance delivery costs (if applicable)	-0-
Other new costs (graduate assistants, secretarial support, supplies, faculty development, faculty/students research, program accreditation, etc.) \$125K	\$125,000
Total	\$2,875,000

# 9. SOURCE OF PROGRAM FUNDING – Income for the first 3 years of program operation:

	Fall 2023-24	Fall 2024-25	Fall 2025-26	3 year total
Projected Enrollment	30	58	90	90
Projected Income (n= 15 credits/semester)	\$260,040	\$502,744	\$780,120	\$1,542,904

Each full-time student must take a minimum of 12 credit hours per semester to be considered a full-time undergraduate student. Tuition is \$188.00 per credit for in-state and \$427.00 for out-of-state and international students. Fees are \$3268.00 per academic year.

ACADEMIC UNANIMOUS CONSENT AGENDA (ACTION)

Office of the President

March 12, 2023

TO: MEMBERS OF THE ACADEMIC AND STUDENT AFFAIRS COMMITTEE:

Dr. Ed Fryar, Chair Mr. Tommy Boyer Mrs. Kelly Eichler Mr. Sheffield Nelson Mr. Jeremy Wilson

#### Dear Committee Members:

Items placed on the Academic Unanimous Consent Agenda are matters which traditionally receive the unanimous support of the Board; however, any item may be singled out for discussion. I am requesting that you consider the following items on the Unanimous Consent Agenda for the May 24-25, 2023, Academic and Student Affairs Committee meeting.

### 1. University of Arkansas at Monticello

A. Program Curriculum Revision/Existing Program offered by Distance Technology

- Bachelor of Science in Mathematics (Reorganize the Math major to represent the program in the UAM catalogue in a manner consistent with listings of other degrees with options. Provide as online program Fall 2023 to better accommodate students with jobs and families. There are no new or deleted courses.)
- Bachelor of Science in Agriculture / Delete Site-Specific Management Option (The Agriculture administration and faculty have modified, added, and deleted courses, as well as deleted the Site-Specific Management option. The major will have four options: Agri-business, Animal Science, General Agriculture, and Plant and Soil. The Animal Science option will increase by 3 hours with the addition of one animal science course. The required number of hours for the other options will remain unchanged.)
- Offer a Certificate of Proficiency and a Technical Certificate in Computer Information Systems by Reconfiguring the Associate of Science in Computer Information Systems. (These programs are designed to provide knowledge and skills needed to become network administrators; give a thorough knowledge of software installation, networking, and troubleshooting and important soft skills, including customer service skills relevant to technical support and help desk positions; prepare students to sit for the A+ Certification exam. CP consists of 15 hours (9 hours of existing courses and 6 hours of new courses); TC consists of 30 hours (24 hours of existing courses and 6 hours of new courses. The new courses will serve the existing

2404 North University Avenue / Little Rock, Arkansas 72207-3608 / 501-686-2505

associate and bachelor's degree programs in CIS. No new resources are needed to implement and sustain the certificate programs.)

# B. Existing Certificate or Degree Program Offered at an Existing Off-Campus Location

• Bachelor of Arts in Elementary Ed K-6 – Offer last two years at National Park College (NPC). (Provide students the opportunity to earn both the Associate of Science in Education and the Bachelor of Arts in Elementary Education K-6 from UAM onsite at NPC.)

# C. Deletions

- Bachelor of Arts and Bachelor of Science in Health, Physical Education and Exercise Science
- Minor in Coaching
- Minor in Health and Physical Education
- Minor in Sociology

(There are no students currently enrolled in these programs.)

## 2. University of Arkansas for Medical Sciences

## A. Program Curriculum Revision

• Biomedical Informatics Graduate Certificate, Master of Science, and Ph.D. (Remove academic tracks providing more flexibility for students to select courses in the program that better satisfy their research or educational interest in biomedical informatics.)

#### 3. University of Arkansas, Fayetteville

### A. Deletions

- Certificate of Proficiency in Child Advocacy Studies Training (This certificate has not met enrollment expectations and currently has one student. This student is expected to complete the certificate in the summer 2023.)
- Graduate Certificate in Cross Sector Alliances: Public, Private and Nonprofit Collaboration (*Deleting due to low enrollment.*)

# 4. University of Arkansas at Little Rock

## A. Program Curriculum Revision

- Chemistry Master of Science Non-Thesis (Existing courses; delete Master of Arts in Chemistry)
- Construction Management (Reduce hours from 123 to 122 by deleting a one credit community service course.)
- Literacy Coach Graduate Certificate (Redesigned to offer teachers two tracks to train two types of literacy coaches: Comprehensive Intervention\fodcl (CHvl) coaches and Comprehensive Literacy Model (Cl, M) coaches. CIM coaches work mostly with interventionists to improve their instruction with students who find learning to read difficult. CLM coaches work at the district level to coordinate

Academic and Student Affairs Committee Unanimous Consent Agenda Page 3

literacy programs. Reduced from 18 to 14 hours making more affordable also making program more marketable.)

- B. Delete Program/Option/Emphasis/Track
  - Master of Arts in Chemistry (Replace with Chemistry Master of Science Non-Thesis)

#### 5. University of Arkansas at Fort Smith

- A. Program Curriculum Revision
  - Modify Bachelor of Arts in Spanish and the Spanish Minor (Add five courses to replace three courses being deleting and two that are being moved to the list of electives. The new courses will provide greater in-depth coverage of topics in literature and civilization in Spain and in Latin America. Comparable changes are being made to the list of elective courses within the Spanish minor to align with the new offerings.)

## 6. University of Arkansas at Pine Bluff

- A. New Program
  - Bachelor of Science Degree in Cybersecurity (CyberLearN curricular foundation of the instructional consortium, among seven University of Arkansas System campuses. Consortium and programs approved by the Board May 22, 2022.)
- B. Existing Program offered by Distance Technology
  - Master of Arts in Teaching

# 7. University of Arkansas Community College at Hope-Texarkana

- A. New Certificate Program (<15 Hours)
  - Certificate of Proficiency Community Health Worker (Seven (7) credit CP is a partnership with UAMS. This program will provide training and assistance to new and experienced CHWs across Arkansas. Partnering employers will co-sponsor new students as field-placement trainees or apprentices. Trainees will complete 160 hours of tailored education while completing 1 year of on-the-job training with their registered field-placement site in Arkansas.)
- B. New Off-Campus Location (existing program)
  - Certificate of Proficiency in Welding at Southwest Arkansas Community Correction Center, 506 Walnut Street, Texarkana, Arkansas (Will offer inmates full CP, utilizing current UAHT instructors. UAHT has an established partnership with the ACC through their adult education program housed within the facility. Program will be offered to inmates who qualify for the Prison Education Program through PELL. Off-site location has a complete welding lab, welders and classroom.

# 8. Cossatot Community College of the University of Arkansas

- A. Place Program on Inactive Status
  - Associate of Applied Science: Digital Media and Marketing

Academic and Student Affairs Committee Unanimous Consent Agenda Page 4

# 9. University of Arkansas Community College at Morrilton

- A. New Certificate (existing courses; no new resources)
  - Certificate of Proficiency in Small Business Management
- B. Program Reconfiguration (existing courses; no new resources)
  - Reconfigure the Associate of Applied Science in Nursing to Create an Associate of Applied Science in Health Science
- C. Program Curriculum Revision (existing courses; no new resources)
  - Welding (Revised for relevancy.)
  - Industrial Mechanics and Maintenance Technology (Revised for relevancy.)
  - Air Conditioning, Heating & Refrigeration Technology (Revised for relevancy and to better align credit hour assignments with what is being taught in several courses.)
  - Automotive Service Technology (Revised for relevancy.)

# 10. University of Arkansas – Pulaski Technical College

# A. New Off-Campus Location

• Jacksonville High School, 1301 W. Main St, Jacksonville, AR. (offer the existing certificates of proficiency in Culinary and Baking. UA-PTC already provides dedicated instructional support on the JHS campus who staff and instruct students in the Simply Delicious restaurant on the high school campus. The partnership would expand to allow students to seek certificates of proficiency as they learn a more focused curriculum.)

#### B. Program Curriculum Revisions

- Certificate of Proficiency in Hospitality and Tourism (credit hour reduction from 15 to 12 credit hours and distance percentage increase to 100% because program can be completed fully online.)
- Certificate of Proficiency in Restaurant Operations (credit hour reduction from 15 to 12 credit hours to allow for completion in one semester and fully online if preferred.)
- Associate of Applied Science in Aviation Maintenance (increase in total credit hours from 89 to 89-92 to include an optional elective that allows for additional time to successfully complete an individual course component.)
- Technical Certificate in Aviation Maintenance Airframe (increase in total credit hours from 48 to 48-51 to include an optional elective that allows for additional time to successfully complete an individual course component.)
- Technical Certificate in Aviation Maintenance Powerplant (increase in total credit hours from 45 to 45-48 to include an optional elective that allows for additional time to successfully complete an individual course component.)

Academic and Student Affairs Committee Unanimous Consent Agenda Page 5

## C. Program Inactivation

- Certificate of Proficiency in Medical Office Technology (revised to align with the AHIMA accreditation standards and the Health Information Technology program, making this CP obsolete moving forward.)
- Certificate of Proficiency in Resort Management (program is not meeting viability standards but will be evaluated and revised to meet industry needs once full-time hospitality faculty is hired.)
- Technical Certificate in Resort Management (program is not meeting viability standards but will be evaluated and revised to meet industry needs once full-time hospitality faculty is hired.)

# University of Arkansas Clinton School of Public Service

- A. New Certificates (existing courses; no new resources required)
  - Clinton School: Public Service Graduate Certificate
  - Clinton School: Social Entrepreneurship Graduate Certificate

A resolution for your consideration is as follows.

BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ARKANSAS THAT the Board hereby approves the Academic and Student Affairs consent items as presented to the Board at its May 24-25, 2023, meeting.

BE IT FURTHER RESOLVED THAT a letter of notification will be submitted to ADHE following the Board meeting setting forth these items.

Sincerely,

APPROVAL OF RECOMMENDED TUITION AND FEES, ALL CAMPUSES (ACTION)

Office of the President

May 12, 2023

TO MEMBERS OF THE ACADEMIC AND STUDENT AFFAIRS COMMITTEE:

Ed Fryar, Chair Tommy Boyer Kelly Eichler Sheffield Nelson Jeremy Wilson

Dear Committee Members:

The Chancellors have requested approval of tuition and fee amounts for the 2023-2024 fiscal year. The documents indicate current and proposed amounts for each of the campuses. I recommend approval of the proposed amounts. A resolution for your consideration is as follows:

WHEREAS, the Board of Trustees of the University of Arkansas asserts its singular focus on student success as evidenced by student retention and graduation;

THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ARKANSAS THAT the proposed tuition and fees for the 2023-2024 fiscal year for the University of Arkansas campuses are hereby adopted and approved.

Sincerely,

Donald R. Bobbitt

President

The <u>College of Medicine</u> is not requesting an increase in base tuition for FY23-24. Since 2015, our tuition has increased such that we are now at about the 45th percentile for US public schools and we are above the regional median. Given the continued concerns about increasing student debt, our goal is to return to the 25th percentile among US public schools, or at least to the regional mean/median. Starting FY23-24, tuition will be charged at the in-state resident rate for College of Medicine for the following border states: LA, MO, MS, OK, TN, and TX. This will increase our ability to attract high caliber students from bordering states which will enrich the program, elevate our rankings, and increase the likelihood that we are attracting students who will stay in the area.

The <u>College of Pharmacy</u> is not requesting an increase in tuition for FY23-24 as tuition was increased by 5% for FY22-23. In addition, enrollment into Pharm. D. programs is highly competitive; therefore, keeping the COP tuition rate within the 25th percentile allows the UAMS COP to stay competitive within the region. Starting FY23-24, tuition will be charged at the in-state resident rate for College of Pharmacy-Pharm. D. program only, for the following border states: LA, MO, MS, OK, TN, and TX. This will ensure we remain competitive for highly qualified non-resident candidates from border states and to facilitate interest from highly qualified non-resident applicants currently enrolled at colleges/universities within Arkansas.

The <u>College of Nursing</u> is requesting an increase in resident and non-resident tuition and fees for the undergraduate and graduate programs in FY23-24. The increases range from 1.9% to 2.1%. These recommendations will continue to keep tuition competitive with other nursing programs in Arkansas and the southern region. When compared to other nursing colleges in Arkansas and the southern region, the BSN program is slightly above average while the graduate programs are below average in annual cost.

The <u>College of Health Professions</u> is requesting an increase in tuition of 1.9% - 2.1% for undergraduate and graduate residential and non-residential programs and a 5% increase for Physician Assistant Master's Program and Physical Therapy Doctoral Program for FY23-24. Medical Laboratory Sciences tuition will remain the same as FY22-23 to match the military's maximum tuition assistance reimbursement rate.

The <u>Graduate School</u> is not requesting an increase in tuition for FY23-24. Rates are competitive within the region with the Graduate School being in the median for regional peer comprehensive academic health centers.

The <u>College of Public Health</u> is not requesting an increase in tuition for FY23-24. Tuition is competitive with other regional CEPH Colleges and Universities.

- 1 The Student Health Fee is not charged to students enrolled in UAMS-designated 100% online programs and is not charged for the summer semester.
- The Student Transportation fee is not charged to students enrolled in UAMS-designated 100% online programs. For each term, students enrolled in programs on the Northwest campus will not be charged. Summer session rate
- 3 The UAMS Technology Fee is charged to all students with the exception of students enrolled in UAMS-designated 100% online programs. They are charged one-half of the standard rate. This fee is not charged for the summer semester.
- 4 Undergraduate students taking less than 6 hours and Graduate students taking less than 5 hours will not be charged. The fee is not charged for the summer semester. Students enrolled in UAMS-designated 100% online programs will be charged one-half of the standard rate.
- The Student Activity fee is not charged to students enrolled in approved, UAMS-designated 100% online programs. It is not charged for the summer semester.
- This fee is charged to students actively engaged in a UAMS degree program but not enrolled in credit-bearing courses/activities, are preparing to fulfill graduation requirements and/or awaiting completion of final licensure tests. Requesting an increase of \$50 for FY24 due to the increased number of students in the dual degree programs and corresponding teaching and administration of these programs.
- The following fees were included within the COM tuition rates starting Fall of 2017: Disability Insurance (\$26/semester), Malpractice Insurance (\$188/semester), Standardized Patient Fee (\$170/semester) and Curriculum Assessment Monitoring Fee (Exam Software) (\$35/semester). Total = \$419/semester; \$838/year.
- 8 In addition to non-degree seekers, a one-time application fee is charged to all College of Medicine applicants.
- In Fall 2019, the College of Medicine instituted a fee to students during their M1 and M2 years for mandatory course study materials. These materials are provided to students at a reduced institutional rate. In FY23, the fee was extended to include the M3 and M4 students.
- 10 The CON sets the Standardized Patient Fee amount based on required usage of standardized patients.

- The College of Nursing Graduate Program Fee is a generic fee that replaced the Advanced Health Assessment Fee previously charged to the graduate students enrolled in the Advanced Health Assessment course. The \$300 fee is to be spread across the program (\$50/semester for 6 semesters). Additionally, \$25 is included in this fee to cover the cost of Typhon, a nurse practitioner student tracking software. This fee is charged every fall and spring semester to students enrolled in graduate programs.
- The College of Nursing Progression Test Fee includes the cost of ATI, ExamSoft, ExamSoft Clinical Judgement Exams Complete Solutions and Nursing Central for the BSN students. The fee should be charged every fall and spring to students enrolled in the traditional BSN program and every fall, spring and summer for students enrolled in the Accelerated BSN program. ExamSoft Clinical Judgement Exams Complete Solutions is being added as a new product to prepare students for the Next GEN NCLEX Exam.
- Although not a fee, this deposit is due upon acceptance, as a reservation of enrollment prior to actual registration. It is non-refundable, but will be applied to the first semester tuition if the applicant enrolls within a year.
- The Anesthesia Professional Liability Insurance/Student Liability Insurance is provided to students only by the American Association of Nurse Anesthetists (AANA). The needed liability insurance for CRNAs is more comprehensive in the variety of anesthetizing locations in which they will gain clinical experiences.
- The CRNA Progression Fee includes the costs of AANA/NBCRNA Dual Enrollment, SEE Exam and Prodigy Anesthesia. All components are either required and/or will enhance performance with uniquely tailored assignments geared towards ensuring successful completion of the program. Students who were admitted into the program in 2020 and 2021 are exempt from the CRNA Progression fee. Starting with incoming Fall 2022 students, the fee will be charged annually during the Fall term.
- The Pre-NAPLEX Exam fee covers the cost of the Pre-NAPLEX exam (4th year, Fall Semester only).
- 17 The NAPLEX Prep Course fee is spread out over the duration of the program to cover the cost of an externally provided prep course to improve NAPLEX pass rate.
- Immunization Training by APhA is required by most state Boards of Pharmacy to administer immunizations. This training is during the P1 year.
- The Professional Development Fee is used to subsidize the current Student Activity Fee funding of professional development activities specific to the COP students.
- The Simulated Electronic Medical Record (EMR) licenses are purchased for all P2 and P3 students at an annual cost of \$60/license. The cost is spread over four (4) years.
- 21 The Point of Care Testing certification fee covers the added credential to allow graduates to practice at the top of their license.
- 22 Decision Support Technology for students include device-based LexiComp & AccessPharmacy fees.
- 23 Electronic Test Delivery Software secures test delivery for onsite and remote testing for (P1, P2, & P3 per semester only).

Page 7 of 8 UAMS

- Laboratory fees in the College of Health Professions are set on a credit hour of enrollment basis with the following exceptions:
  - (a) Physical Therapy charges a \$125 lab fee during the fall and spring terms.
  - (b) Physician Assistant Studies charges a laboratory fee of \$366 for summer, fall, and spring terms.
  - (c) Genetic Counseling charges a laboratory fee of \$235.25 for fall, and spring terms.
  - (d) Speech-Language Pathology charges a laboratory fee of \$164 for fall, and spring terms.
  - (e) Diagnostic Medical Sonography charges a laboratory fee of \$357 for fall, and spring terms.
- The Student Liability Insurance in the College of Health Professions covers students in a wide range of programs. The higher liability for students in the physical therapy program is reflected in their malpractice insurance fees. Students in Physician Assistant Studies will not be charged for malpractice coverage.
- 26 The College of Health Professions sets the Standardized Patient Fee amount based on required usage of standardized patients.
- Starting in FY23, the Audiology program will order Otoscopes for the first year students as part of their needed equipment.
- The Respiratory Therapy 'voucher' fee provides funding to the student when it is time to sit for his/her registry exams while still in school. With the voucher, the student would only need to enter a code in order to sit for their exam.
- The Credit by Examination fee would apply to College of Health Professions courses for which a student demonstrates competency or equivalency in the subject matter. This would be similar to a CLEP exam. The fee for Credit by Examination would be 1/2 the per credit hour rate of the course in which the student is seeking credit.
- The College of Public Health is requesting the addition of one new fee in FY24 to cover the cost for the Certificate of Public Health exam fee. Per a new policy in the College, we are requiring this exam, offered by the National Board of Public Health Examiners, to be taken by all MPH and Certificate students when they complete their core courses. The fee will cover the cost that will be incurred by the College for the testing.

## Dear Committee Members:

Chancellor Charles Robinson at the University of Arkansas, Fayetteville, is requesting approval to purchase seven parcels of real property located at 1540 W. Markham Road, 335 N. Hornsby Drive, 334 N. Hornsby Drive, 324 N. Hornsby Drive, 333 N. Game Day View and 325 N. Game Day View in Fayetteville, Arkansas.

The property includes 2.66 acres to be purchased for \$5,050,000.00. The property was appraised on March 6, 2023, and had an appraised value of \$5,050,000.00. Current owners of these parcels are Reindl Investments, LLC; UA Properties, LLC and Reindl Land Trust. University Reserves will be used to fund the purchase. Closing on this parcel will occur after July 1, 2023, and within 60 days after approval by the Board.

Additionally, the University of Arkansas, Fayetteville, seeks approval to purchase real property located at 1520 W. Markham, containing 0.33 acres for the purchase price of \$750,000.00. The property was appraised on March 6, 2023, and had an appraised value of \$750,000.00. The current owner of this parcel is Reindl Land Trust. Funding for the purchase will be from University Reserves. Closing of this purchase will be delayed and will occur after July 1, 2024.

I concur with Dr. Robinson's recommendation and have attached a resolution for your consideration.

Sincerely,

Donald R. Bobbitt, President

Charles E. Scharlau Presidential Leadership Chair

### Dear Committee Members:

Chancellor Charles Robinson, University of Arkansas, Fayetteville, requests approval for the selection of two architectural firms and one civil engineering firm for professional service contracts ("on-call") for the campus. The selection process was conducted in accordance with Board Policy 740.2.

Interviews for two architects were conducted on April 7, 2023, and eight firms responded to the advertisement, and five were interviewed. The selection committee felt that two of the five teams are best suited for this project based on experience with projects of similar size and scope. The selection committee would like to offer the following architects to the Board of Trustees for consideration in the order listed, with the consensus being **both** firms listed below:

- Cromwell
- RDC

Interviews for a civil engineer firm were conducted on April 4, 2023, and four firms responded to the advertisement, and all four were interviewed. The selection committee felt that two of the four teams are best suited for this project based on experience with projects of similar size and scope. The selection committee would like to offer the following civil engineers to the Board of Trustees for consideration in the order listed, with the consensus being the **first** of the two firms below:

- McClelland Consulting Engineers
- Wallace Design Collective

I concur with Dr. Robinson's recommendations. A proposed resolution for your consideration follows:

## CAPITAL PROJECT PROPOSAL FORM

Campus: UA Little Rock Name of Proposed Facility: Kappa Sigma Clubhouse

1. Proposed function of project. If the proposed project is new construction, describe this project's role in the campus master building plan.

We are proposing the construction of a new 2,176 square foot structure on our campus. The total cost of the new building will be \$786,760, with construction costs totaling \$636,693.

The new building will serve as a replacement clubhouse for the Kappa Sigma fraternity and be located at the corner of 28th Street and South Fillmore Street. They will lease the building from us at an amount still to be determined. We are highly-motivated to construct this clubhouse for the fraternity, as the fraternity's current clubhouse is located in the center of our campus and we have finally reached agreement with them to acquire the property that it sits on. Acquiring such a centrally-located property will allow us great flexibility in the future master planning for our campus. The request for Board approval of the acquisition of the property that the fraternity's clubhouse currently sits on will be made separately.

In addition to wanting to acquire such a critical property, we also have a strong desire to increase the participation and visibility of Greek life on our campus, which has seen a significant decline in recent years. The location – and design – of this new clubhouse will assist us greatly in those efforts.

This will be a project that will clearly benefit all parties. UA Little Rock will get ownership of a property that sits directly in the center of our campus, plus the visibility of a brand-new structure supporting Greek life, while Kappa Sigma gets market value for their current clubhouse and a new clubhouse as a replacement.

2. Proposed facility location & description (attach map).

The project location is at the corner of 28th Street and South Fillmore Street.

- 3. Total estimated project cost, including construction and design, land acquisition and fixtures. \$786,760
- 4. Total estimated cost of furnishings. \$0 (to be furnished by Kappa Sigma)
- 5. Estimated time to substantial completion. 12 months from beginning of project
- 6. Parking plan to support new or expanded facility.

Our Lot 14, which has significant capacity, sits directly across the street from the proposed project and will be the intended parking site for visitors to the new building. A few handicap parking spots will be included directly next to the building as well.

7. If this project will be phased, or is part of a phased, or multi-step, project, describe each proposed phase, the estimated timeline for subsequent phases, and the estimated cost of each phase.

This project will not be phased.

Source of project funds. Where borrowing is proposed, include an estimated cost of financing.
 The project will be funded from UA Little Rock reserves.

#### Dear Committee Members:

Chancellor Terisa C. Riley, University of Arkansas at Fort Smith, requests the selection of four (4) firms for "on-call" professional services contracts for various renovation and construction projects with estimated costs under \$1 million, in accordance with the policies of the Board of Trustees.

Advertisement and selection guidelines were followed in accordance with Board Policy. The evaluation results indicate all four firms are highly qualified to fulfill the needs based on their understanding of deferred maintenance and minor renovation projects for the university, experience with similar projects, and ability to meet budget and timing constraints. In order to adequately anticipate the needs of UAFS and to garner the unique expertise of each, UAFS respectfully recommends approval of all 4 of the following.

- SCM Architects
- Polk Stanley Wilcox Architects
- Risley Architects
- MAHG Architects

I concur and a proposed resolution follows.

BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ARKANSAS THAT the University of Arkansas at Fort Smith is authorized to select the following four (4) firms to provide on-call professional services to fill the contract positions at UAFS: SCM Architects, Polk Stanley Wilcox Architects, Risley Architects and MAHG Architects.

#### Dear Committee Members:

The City of Hot Springs has proposed to donate four parcels of real property to the Board of Trustees for the benefit of the Arkansas School for Mathematics, Sciences, and the Arts (ASMSA). Corey Alderdice, Director of ASMSA, requests Board approval for the transfer of this property to the Board of Trustees, which was approved by the Hot Springs Board of Directors at its April 4 meeting. Acceptance of title to the property would be conditioned upon a determination by the Office of General Counsel that the City holds good title free of material defects.

Director Alderdice believes this to be an important point of progress in the transformation of the ASMSA campus going forward.

The property includes the Academic and Administration Building located at 200 Whittington Ave., which houses ASMSA's primary classroom building. The transfer also includes the lots located behind the Student Center, which are planned for future development, as student wellness space and potential athletic fields, as outlined in the current Campus Master Plan.

A resolution is attached for your consideration. I recommend its approval.

Sincerely,

Donald R. Bobbitt

And

Lot 1, Block 133 of Hot Springs Reservation.

BE IT FURTHER RESOLVED THAT acceptance of the Property shall be subject to a determination by the General Counsel that the City of Hot Springs holds good and merchantable title to the property and obtaining an acceptable Phase I environmental assessment unless waived by the campus officials. The President, the Chief Financial Officer, the Director of Arkansas School for Mathematics Sciences and the Arts, or their designee, shall be, and hereby are, authorized to take such further action and execute such documents and instruments as may be necessary to close the transaction in accordance with this resolution.

BE IT FURTHER RESOLVED THAT that the Board of Trustees expresses its appreciation to the City of Hot Springs for this donation and for its continued support of the Arkansas School for Mathematics, Sciences, and the Arts.

Name of Proposed Facility: Campus-wide project Video Surveillance and Security System

- 1. Proposed function of project. If the proposed project is new construction, describe this project's role in the campus master building plan.
  - The University of Arkansas at Pine Bluff seeks to have a qualified firm assist in designing and installing an extensive expansion and replacement of the camera surveillance system and concealed weapon detectors for designated safe areas.
     The areas include but are not limited to residential life, athletics, academics, student activities, and administrative areas.
- 2. Proposed facility location & description (attach map).
  - Campus-wide
- 3. Total estimated project cost, including construction and design, land acquisition, and fixtures.
  - \$1.5 Million Dollars
- 4. Total estimated cost of furnishings.
  - Not applicable
- 5. Estimated time to substantial completion.
  - The anticipated timeframe for the project is 9-12 months.
- 6. Parking plan to support new or expanded facility.
  - This project will not impact parking capacity.
- 7. If this project will be phased, or is part of a phased, or multi-step, project, describe each proposed phase, the estimated timeline for subsequent phases, and the estimated cost of each phase.

The university would like to complete the project in one phase. If the price of the project exceeds the budget, the project will be divided into two phases. The first phase, which would be estimated at\$1.5 million, will ensure compliance with standard higher education security measures. Phase two, estimated at \$1 million to \$1.5 million, will allow the university to expand and enhance the system within the next 3-5 years.

- 8. Source of project funds. Where borrowing is proposed, including an estimated cost of financing.
  - The university has earmarked \$1.5 million dollars in cash funds for the project.

#### TO THE MEMBERS OF THE BOARD OF TRUSTEES

#### Dear Trustees:

As you know the May 24-25 meeting is the last regular Board meeting for the 2022-2023 academic year. The next regular Trustee meeting is scheduled for September 14-15, 2023, at the University of Arkansas, Fayetteville. There are several pending buildings and grounds matters which could require action before September, and I am requesting that the Buildings and Grounds Committee be authorized to take appropriate action on buildings and grounds matters that may need attention prior to the next regular meeting of the Board. As usual, all Trustees will be provided with any materials sent to the Buildings and Grounds Committee and will be invited to participate in any meetings.

A resolution is set forth below for your consideration. I recommend approval.

BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ARKANSAS THAT in the interim between this meeting and the next regular Board meeting, upon the presentation and approval of the President, the Buildings and Grounds Committee of the Board is delegated the authority to take appropriate action on all buildings and grounds matters that may need attention prior to the next regular meeting of the Board.

Sincerely,

Donald R. Bobbitt

President

RATIFICATION OF HONORARY DEGREES AWARDED AT MAY 2023 COMMENCEMENTS (ACTION)

May 12, 2023

#### TO MEMBERS OF THE BOARD OF TRUSTEES

#### Dear Trustees:

At previous Board meetings, the Trustees approved the selection of individuals to receive honorary degrees and other significant University awards at the 2023 commencement ceremonies. The minutes of those Board meetings did not reflect the names of approved nominees because the individuals had not yet accepted the awards. In order for the honorary degrees and awards actually conferred to be accurately set forth in the Board's meeting minutes, the General Counsel has recommended that the Board ratify and confirm the conferrals.

I concur with this recommendation. A resolution for your approval follows.

BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ARKANSAS THAT the following honorary degrees granted at the 2023 commencement ceremonies are hereby ratified, confirmed and approved:

Ms. Veronica Campbell-Brown, Doctor of Humane Letters, UAF

Dr. William Pickard, Honorary Doctor of Laws, UAPB

Ms. Elizabeth Eckford, Honorary Associates, UAPTC

CONSIDERATION OF REQUEST FOR APPROVAL OF NEW STRATEGIC PLAN, VISION AND MISSION STATEMENTS, UAFS (ACTION)

May 12, 2023

#### TO MEMBERS OF THE BOARD OF TRUSTEES:

Dear Trustees:

Chancellor Terisa C. Riley, University of Arkansas at Fort Smith, requests approval of their new vision and mission statements, commitments, and a new five-year strategic plan.

Using a competitive process, University leaders selected MGT, a preeminent strategic planning firm, to guide the strategic planning process which began in fall 2022 and concluded in spring 2023. During that time, the UAFS Strategic Planning Steering Committee concluded that new vision and mission statements were needed to outline the aspirations to create centers of excellence and to better articulate UAFS's mission to empower social mobility and economic growth of the region. In addition, they recommended evolving from campus "values" to more determined "commitments," and devised four strategic pillars which align with UA System and ADHE goals.

Key stakeholders, administrators, faculty, staff, students, and community and alumni members were engaged in the strategic planning process. For the years of 2023-2028, the university will focus on achieving the following strategic initiatives:

- Increasing student access, engagement, and success;
- Cultivating teaching and learning opportunities;
- Increasing activity in economic development, community engagement, and industry partnerships; and
- Focusing on institutional sustainability, resource development and stewardship.

The proposed plan ending date of 2028 aligns with the 100th anniversary of UAFS.

A proposed resolution is attached for your consideration. I recommend approval.

Sincerely,

Donald R. Bobbitt, President

#### RESOLUTION

BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ARKANSAS THAT the University of Arkansas at Fort Smith's 2023-2028 Strategic Plan is hereby approved as presented to the Board at its May 24-25, 2023, meeting.

BE IT FURTHER RESOLVED THAT the following mission and vision statements of the University of Arkansas at Fort Smith are hereby approved:

#### Mission:

UAFS empowers the social mobility of its students and the economic growth of the River Valley through exceptional educational opportunities and robust community partnerships.

## Vision:

Through dynamic academic programs, innovative research opportunities, and transformational centers of intellectual and economic development, UAFS will advance its community and become an institution renowned for educating and inspiring the ambitious students who call it home.

Office of the President

May 12, 2023

#### TO THE MEMBERS OF THE BOARD OF TRUSTEES

#### Dear Trustees:

Extracurricular camps are conducted on the various campuses of the University primarily during the summer months and holiday breaks. Authorization of use of University facilities for these camps by University employees for private compensation is permitted by State law (Ark. Code Ann.§ 6-62-401) and Board policy 1715.1. In addition, some camps may be conducted on University campuses by the University itself rather than by University employees for private compensation. In such cases, these camps may be approved by the Chancellor under campus policies.

The resolution approving the camps also includes language concerning the need for policies and training in reporting suspected child maltreatment and the conducting of background checks for personnel associated with these camps for which Board authorization is required as well as all camps sponsored by or conducted on our campuses.

A resolution is attached for your consideration. I recommend its approval.

Sincerely,

Donald R. Bobbitt

WHEREAS, the activities involved in the proposed extracurricular camps at the various campuses of the University of Arkansas present no conflict of interest with the mission and purpose of the institution; and

WHEREAS, the activities proposed will bring to campus a number of potential students who might enroll on campus as a result of their exposure to its facilities and its personnel while engaged in these activities; and

WHEREAS, the contemplated activities will generate funds to be paid to the University for housing and meals and for the use of other institutional facilities which will be used to help support the auxiliary functions of the campuses serving to enroll students;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ARKANSAS THAT the Board fully supports the mission and purpose of the various campuses hosting extracurricular athletic and academic camps, and generally grants permission to the employees and campuses seeking to conduct during 2023-24 the extracurricular camps set out below, and further approves the fees as shown below.

BE IT FURTHER RESOLVED THAT each campus whose employees are conducting the aforesaid camps pursuant to Board Policy 1715.1 as well as each campus that may host or allow use of facilities for other camps that do not require the express approval of the Board shall make certain that policies and contractual provisions are in place to assure that all applicable laws and regulations dealing with mandatory reporting of suspected child maltreatment are followed, that appropriate staffing patterns are utilized, that personnel involved in the conduct of such camps receive instruction in applicable policies, procedures, laws and regulations regarding protection of children, and further that campus officials shall assure that persons involved in the conduct of such camps have undergone criminal background checks (including registered sex offender checks). The President may furnish guidelines for matters to be included in such policies and contractual provisions.

CONSIDERATION OF REQUEST FOR APPROVAL OF REVISIONS TO BOARD POLICIES, ALL CAMPUSES AND UNITS (ACTION)

Office of the President

May 12, 2023

#### TO MEMBERS OF THE BOARD OF TRUSTEES:

#### Dear Trustees:

Act 778 of 2023, which deletes most of the Higher Education Compensation and Classification Act, will eliminate the classified employee designation for public higher education institutions. Beginning July 1, all UA System employees and positions will be governed by appropriation bills or personnel pools with salary line items that were also passed during the 94<sup>th</sup> General Assembly. As we prepare for this law to take effect for the 2024 fiscal year and moving forward, the General Counsel's Office, along with our employee benefits and policy team, have reviewed Board of Trustees policy and proposed amendments to remove references to classified/non-classified employees and align board policy with the new law. Where necessary, these terms are replaced with "exempt" or "nonexempt" to signify employee status under the Fair Labor Standards Act of 1938, 29 U.S.C. 201 et seq. Enclosed are eight Board Policies that have been edited to prepare for this change.

- Board Policy 405.4 Termination of Employment A reference to "classified and non-classified" staff employees was removed. This does not impact the substance of the policy.
- 2. **Board Policy 405.5** *Retrenchment* References to classified employees were changed to "nonexempt" employees and references non-classified were changed to "exempt" employees to align with proposed changes to leave policies.
- 3. **Board Policy 420.1** *Annual Leave for Exempt Employees* References to non-classified employees were changed to "exempt" employees to signify employee status under the Fair Labor Standards Act of 1938, 29 U.S.C. 201 et seq.
- 4. **Board Policy 420.2** *Annual Leave for Nonexempt Employees* References to classified employees were changed to "nonexempt" employees to signify employee status under the Fair Labor Standards Act of 1938, 29 U.S.C. 201 et seq.
- Board Policy 420.3 Sick Leave Language detailing compensation of sick leave for classified employees was deleted.
- 6. **Board Policy 420.5** *Court and Jury Leave* Language was changed to comply with changes to Board Policy 450.1 on outside employment.

#### 2404 North University Avenue / Little Rock, Arkansas 72207-3608 / 501-686-2505

- 7. **Board Policy 420.6** *Leave Without Pay* The new language treats leave without pay duration and procedures the same for all employees.
- 8. Board Policy 450.1 Outside Employment of Faculty and Certain Staff Members for Compensation References to non-classified employees were changed to "exempt."

These policy changes were circulated to the Chancellors and Directors for feedback prior to submission for your consideration. I recommend approval of the policy amendments. A proposed resolution for your consideration follows:

BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ARKANSAS THAT the following Board Policies are hereby revised and approved as presented:

BOARD POLICY 405.4

## TERMINATION OF EMPLOYMENT

# I. Purpose

The purpose of this policy is to establish termination of employment procedures for all campuses, divisions and units of the University of Arkansas System and all of its programs and activities.

# II. Administrative Employees

The President of the University shall serve at the pleasure of the Board of Trustees, unless otherwise provided by contract. The vice presidents, members of the System staff, and the Chancellors or chief executive officers of each campus, division or unit shall serve at the pleasure of the President, unless otherwise provided by contract. Vice chancellors, associate vice chancellors, and assistant vice chancellors shall serve at the pleasure of their appropriate Chancellors or chief executive officer, unless otherwise provided by contract. Similarly, associate vice presidents, assistant vice presidents, and department heads shall serve at the pleasure of the Vice President for Agriculture, unless otherwise provided by contract. Persons in such positions are "at-will" employees and may have their employment terminated by the university for convenience at any time or may be dismissed immediately for cause.1 Although a dismissal for cause may be effective immediately, an administrator may seek review of a for-cause dismissal in accordance with the policies of the campus, division or unit. If no review policy applies, the administrator shall have the opportunity to seek. within five (5) working days of dismissal, review of the matter to the chief executive of the campus, division, or unit, or a designee selected by the chief executive, who shall make a final decision on the for-cause termination.

## III. Faculty Employees

- A. Faculty members who have been awarded tenure have a right to continuous employment except for a disciplinary suspension, dismissal for cause (according to the procedures in Section IV., C. of Board Policy No. 405.1) or for termination in the event of demonstrably bona fide financial exigency, reduction or elimination of programs, retirement, resignation or job abandonment.
- B. Faculty members in tenure-track positions<sup>2</sup> who have not been awarded tenure, may be terminated at the end of the appointment period by a written notice, given in advance, according to the following schedule of time:

<sup>&</sup>lt;sup>1</sup> When a tenured faculty member is serving in an administrative position as contemplated by this section, only the tenured faculty member's administrative position is "at-will".

<sup>&</sup>lt;sup>2</sup> See definition in Board Policy 405.1.

- i. For the first year of service, not later than March 1, if the appointment expires at the end of that academic year; or at least three months in advance of its termination if the appointment expires at some other time during the year.
- ii. For the second year of service, not later than December 15, if the appointment expires at the end of that academic year; or at least six months in advance of its termination if an appointment expires at some other time during the year.
- iii. After the second year of service, at least twelve months before the expiration of the terminal appointment. The terminal appointment will be for the academic or fiscal year, according to the appointment last held by the individual.

These termination notice periods are those specified under IV.B., "Non-Reappointment", in Board Policy 405.1. In addition to termination as outlined here, these employees may be dismissed for cause, or terminated in the event of demonstrably bona fide financial exigency, reduction or elimination of programs, retirement, resignation, or job abandonment pursuant to Board Policy 405.1.

- C. Clinical or other non-tenure track faculty who have received a multi-year term appointment under merit-based campus procedures approved by the President, may be terminated upon the expiration of their appointment or under campus procedures for such purpose, or they may be dismissed for cause by written notice of the chief academic officer of the campus, division, or unit, following verbal or written notice and opportunity to respond. Although the dismissal for cause may be effective immediately, the faculty member may, within five (5) working days of dismissal, appeal such termination directly to the Chancellor or chief executive officer of the campus, division or unit, with such decision to be final, or appeal in accordance with the grievance policies of the campus, division or unit. Further, such faculty may be terminated in the event of demonstrably bona fide financial exigency, reduction or elimination of programs, retirement, resignation or job abandonment. Terminations for bona fide financial exigency, reduction or elimination of programs, retirement, resignation or job abandonment are not appealable or grievable events.
- D. Other faculty members and other academic employees in positions for which tenure may not be awarded (part-time faculty in the ranks of assistant professor, associate professor, professor, University professor, and distinguished professor; clinical, research, teaching adjunct, or visiting faculty; research associates or research assistants; instructors, advanced instructors, senior instructor, master lecturers and lecturers; executive in residence; professor of practice and faculty in clinical attending positions at the University of Arkansas for Medical Sciences notwithstanding that such faculty may be designated as assistant professor, associate professor or professor) are considered "at will" employees and may be terminated for convenience at any time, or dismissed for cause by written notice by the chief academic officer or other senior designee of the campus, division or unit, following verbal or written notice and opportunity to respond. Although a dismissal for cause may be effective immediately, employees under this section may seek review of a for-cause dismissal in accordance with the review policies of the campus, division or unit. If no review policy applies, these employees shall have the opportunity to seek,

within five working days of dismissal, review of the matter to the chief executive of the campus, division, or unit, or a designee selected by the chief executive, who shall make a final decision on the for-cause termination. For appointments through June 30, 2018, termination for convenience is effected by giving written notice at least 60 days in advance of the date the employment is to cease. Thereafter, termination for convenience is effected by giving written notice at least 30 days in advance of the date the employment is to cease.

## IV. Staff Employees-Appointed or Regular Positions

All staff employees of the university, whether full-time or part-time, who are appointed or hold regular positions, are "at-will" employees and may have their employment terminated by the university for convenience at any time or may be dismissed immediately for cause. In the case of grant termination or loss of appropriated funds, termination may be immediate. Although a dismissal for cause may be effective immediately, a staff member may seek review of a for-cause dismissal in accordance with the review policies of the campus, division or unit. If no review policy applies, the staff member shall have the opportunity to seek, within five working days of dismissal, review of the matter to the chief executive of the campus, division, or unit, or a designee selected by the chief executive, who shall make a final decision on the for-cause termination.

# V. All Other Employees and Student Workers (excluding Graduate Assistants)

All other employees (for example, temporary and hourly employees who do not hold an appointed or regular position) and student workers (excluding Graduate Assistants, who are addressed in Board of Trustees Policy 500.1) may be terminated at any time without advance written notice. While advance written notice is not required, termination should be communicated to the employees and documented.

## VI. Procedure

Each campus, division or unit of the University may establish procedures, which are consistent with any applicable Board Policies, University of Arkansas Systemwide Policies and Procedures, and laws, for processing personnel actions and similar employment-related information for all employees, and for communicating this information to employees.

April 15, 1983 (R evised)
January 7, 1983

# I. Purpose

The purpose of this policy is to establish procedures for retrenchment of programs for the campuses, divisions and units of the University of Arkansas System. Retrenchment is a reduction in programs and/or services which results in the termination of employment only because of (1) a bona fide financial exigency or (2) formal academic planning including Board approved changes in institutional missions, substantial program changes (pursuant to Board Policy 620.1), or major reallocations of resources for academic or support services. In the implementation of retrenchment, fair and humane treatment of faculty, staff, and students is of great concern. Serious efforts shall be made to relocate affected faculty and staff in other parts of the program area or in a different program area of the same campus or division. Similarly, currently enrolled students will be permitted, through special arrangements, to complete a program of studies begun before retrenchment was implemented.

# II. Financial Exigency Retrenchment

A <u>bona fide</u> financial exigency will be certified when a unit of the University of Arkansas is threatened by an imminent monetary crisis which is of such gravity as to make imperative the termination of personnel. A certification of financial exigency shall involve the following steps:

- 1. The head of a unit<sup>1</sup> proposes a situation of financial exigency documented with budget summaries and projections.
- 2. Academic administrative personnel and a unit-wide governance standing committee which is representative of unit constituencies shall separately evaluate the documentation and within 10 calendar days recommend to the unit head whether they concur with the determination of the <u>bona fide</u> exigency. The governance body shall be informed of the recommendation made by its standing committee.
- 3. The unit head shall evaluate the recommendations made by the academic administrative personnel and by the committee and shall forward them, along with his/her final recommendation, to the President, who will report the results of the campus deliberation, along with his/her own recommendations, to the Board of Trustees for action.
- 4. The Board of Trustees shall either certify a <u>bona fide</u> financial exigency and the unit head shall initiate the retrenchment process, or declare the situation to be a financial stringency and the unit head shall ameliorate the situation through budget reductions which shall not involve the immediate termination of personnel.

If the Board of Trustees certifies a <u>bona fide</u> financial exigency, the unit shall initiate retrenchment. The unit head shall consult with appropriate administrators and the standing committee of the governance body before determining that major sub-unit(s) are to be

<sup>1</sup>Hereafter the Chancellor, Vice President for Agriculture, or director of a unit which reports directly to the President will be referred to as a head of a unit.

retrenched and the financial level of retrenchment. In determining major sub-units to be retrenched, the following criteria must be considered: (1) centrality of the sub-unit to the mission of the institution, (2) quality of the sub-unit, and (3) cost of the sub-unit, including the relative degree of economic self-sufficiency. In making this determination they shall examine nonacademic areas and programs for possible retrenchment as well as academic programs.

Once the extent of necessary retrenchment has been ascertained, each affected academic dean<sup>2</sup> or administrative officer of nonacademic areas shall be responsible for recommending programs to be retrenched and the number of personnel affected in accordance with criteria and procedures established by the appropriate campus governance body. In recommending programs to be retrenched, the criteria, listed above, must be considered. Alternatives to termination of personnel shall be considered such as early retirement, transfer, voluntary salary reduction, leave-of-absence without pay, as well as normal attrition of personnel, and reductions or postponements in benefits. Within a given department, any faculty member with tenure must be retained over a person who does not have tenure.

The college dean<sup>3</sup> or other administrative officer shall report his/her recommendations to the unit head through appropriate administrative channels. The unit head shall notify the employee(s) who are to be terminated. A person who has been terminated may, in writing, appeal the decision within ten (10) calendar days of the receipt of a certified letter of notification of termination. The appeal shall be based on whether there was material deviation from the established campuswide guidelines for termination because of retrenchment and shall be filed with the unit head and heard by a committee designated by the campus governance body. The committee shall make a report and recommendations within five working days to the unit head who shall make the final decision and notify the appellant immediately.

Nonexempt employees<sup>4</sup> retrenched because of financial exigency will be terminated in accord with Board Policy 405.4 and in no case will termination be effected without 30 days notice. Non-classified employees retrenched because of financial exigency cannot be assured that notice of the duration specified in Board Policy 405.1 will precede termination. Exempt employees retrenched because of financial exigency shall be given notice at least 60 days in advance of termination.

# III. Academic Planning Retrenchment

Academic Planning Retrenchment occurs when faculty, tenured or untenured, are to be terminated as a result of established planning activities. The three reasons for this retrenchment are Board approved changes in institutional mission, substantial program changes and major reallocations of resources for academic or support services. Academic Planning Retrenchment shall involve the following steps:

<sup>&</sup>lt;sup>2</sup>The dean of a college or school or the head of a major academic sub-unit.

<sup>&</sup>lt;sup>3</sup>See footnote 2.

<sup>&</sup>lt;sup>4</sup> As defined by the Fair Labor Standards Act

- 1. The head of a unit shall propose a retrenchment and justify the proposal with appropriate documentation.
- The proposal shall be reviewed and recommendations made by the appropriate academic
  and other administrators and by the appropriate governance body or bodies. In all cases
  involving academic programs, the review shall be made pursuant to Board Policy 620.1.
- 3. The unit head shall evaluate the recommendations and shall forward them, along with his/her final recommendations, to the President, who will report the results of the campus deliberation, along with his/her own recommendations to the Board of Trustees.

If the Board of Trustees declares an Academic Planning Retrenchment, the unit head shall work with the appropriate administrators to determine the needed level of retrenchment and the personnel affected. Within a given academic program, any faculty member with tenure must be retained over a person who does not have tenure.

Faculty members, tenured and non-tenured, who are terminated under Academic Planning Retrenchment shall be given notice specified in Board of Trustees Policy 405.1, Section IV.B. Staff who are terminated under Academic Planning Retrenchment shall be governed by Board of Trustees Policy 405.4. Any appeal made as a result of Academic Planning Retrenchment shall be in accord with the existing appellate structure.

# IV. Board of Trustees Approval

All retrenchment recommendations, financial and academic, must be approved by the Board of Trustees.

The foregoing policy shall be utilized only in those instances in which the Board of Trustees has specifically determined that the policy and procedures therein are applicable. It is recognized that the President, Chancellors and the Vice President for Agriculture on occasion may be required to terminate staff or faculty members and other academic employees in positions for which tenure may not be awarded under the provisions of Board Policy 405.4 to implement functional changes, for budgetary reasons or other reallocation of institutional resources. The President, Chancellors and the Vice President for Agriculture shall continue to be authorized to effect terminations of such employees for the foregoing reasons on such terms and under such procedures as they might deem fair, reasonable and appropriate, consistent with the required notification provisions of Board Policy 405.4, and this Board Policy 405.5 shall not be applicable to such terminations.

May 25, 2023 (Proposed Revision) effective July 1, 2023 November 12, 1993 (Revised) September 14, 1984 (Revised) February 18, 1983 BOARD POLICY 420.1

## ANNUAL LEAVE FOR EXEMPT EMPLOYEES

## I. Purpose

The purpose of this policy is to establish procedures for the accrual and use of annual leave, also called vacation leave, for all exempt employees of any campus, division or unit of the University of Arkansas System. For the purposes of this policy "exempt employee" means an employee who is exempt from the overtime pay requirements of the Fair Labor Standards Act.

# II. Annual Leave Accrual

A. General Rule. Except as provided in Section II(B) of this policy, eligible exempt employees will receive 22.5 days of annual leave from the on-set of employment, earned at a rate of 15 hours per month of service, with accrual at the end of each month. While administrative duties cannot be limited to a five-day, 40-hour week, for purposes of annual leave the normal work week shall be considered Monday through Friday.

For all eligible employees annual leave is accrued at the end of each month and is cumulative.

# B. Exceptions to General Rule.

- (1) Employees holding positions for which annual leave accrual is addressed in special appropriation language will accrue leave on the basis and at the rate provided in the special appropriation language.
- (2) Campuses, units and divisions may adopt, but only after review by the Office of General Counsel and approval by the President, campus annual leave accrual policies that differ from this policy for specialized categories of exempt employees. Any such policy must specifically identify any position categories affected and how they are affected. In no instance shall the accrual rate, eligibility, annual carryover, or payout of annual leave exceed that provided in this Policy.

## III. Eligibility

A. Except as provided in Section II(B) of this policy, annual leave is granted to all exempt non-student employees on 12-month appointments of one-half time or more, with part-time employees earning leave in proportion to the time worked. An employee whose period of employment is scheduled to be changed from a 12-month basis to a nine-month basis must take all accrued, unused vacation before

the end of the 12-month period. An employment period shall not be extended for the purpose of paying an employee for unused vacation, and neither shall lumpsum terminal payment be made unless an employee terminates employment with the University.

B. Employees who are employed pursuant to employment contracts or appointment letters that exclude annual leave as a benefit are not eligible for annual leave. However, any such contract or appointment letter excluding annual leave must be either approved by the President or executed pursuant to a Chancellor-approved campus policy that specifically identifies the position categories that do not accrue leave.

#### IV. Use of Annual Leave

Use of accrued annual leave may be requested by an employee at any time. The appropriate supervisor will grant the request when it will least interfere with the efficient operation of the department. Annual leave shall not be taken before it is accrued.

## V. Annual Leave Carryover Limit

Annual leave is cumulative; however, no employee may have in excess of 30 days on December 31 of each year. During the calendar year accrued leave may exceed 30 days, but those days in excess of 30 (inclusive of holidays) will be lost if they are not used before December 31 of each year. An exception may be made when an end-of-year vacation is postponed for the convenience of the University. Any such exception must be approved by an appropriate University official.

## VI. Other Limitations

Annual leave may not be accumulated while an employee is on leave without pay or on catastrophic leave. Upon termination, resignation, retirement, death, or other action by which a person ceases to be an active employee of the University, the amount due the employee or his or her estate from accrued annual leave or holiday leave, not to exceed 30 working days inclusive of holidays, shall be included in the final pay to the employee. No employee receiving such additional compensation shall return to University employment until the number of days for which he or she received additional compensation has expired.

# VII. Annual Leave for Graduate Study

Annual leave for graduate study may be granted to otherwise eligible employees under the following terms:

- 1. Accrued leave with pay may, if used for graduate study, be accumulated for two calendar years preceding the date of the leave if it is used by January 1 of the third year.
- 2. Permission to carry over such credit must be requested in writing by the employee and approved by the President in advance of the commencement of vacation accrual.

The President may approve a modified application of the regulation where circumstances warrant, not to exceed the earned annual leave for two years.

BOARD POLICY 420.2

## ANNUAL LEAVE FOR NONEXEMPT EMPLOYEES

# I. Purpose

The purpose of this policy is to establish procedures for the accrual and use of annual leave, also called vacation leave, for nonexempt employees at any campus, division or unit of the University of Arkansas System. For the purposes of this policy "nonexempt" means an employee who is entitled to overtime pay under the Fair Labor Standards Act.

## II. Annual Leave Accrual

All employees who work 1,000 hours or more per year in a nonexempt regular salary position are eligible to accrue annual leave. Annual leave is accrued at the end of each month and is cumulative. Full-time eligible employees accrue annual leave in accordance with the following schedule while employees who work less than full time but more than 1,000 hours per year accrue annual leave in the same proportion to the time worked:

Years of Employment	Monthly	Annually
Through 3 years	8 hours	12 days
through 5 years 10 hours		15 days
5 through 12 years	12 hours	18 days
12 through 20 years	14 hours	21 days
Over 20 years	15 hours	22.5 days

# III. Use of Annual Leave

Use of accrued annual leave may be requested by an employee at any time. The appropriate supervisor will grant the request when it will least interfere with the efficient operation of the department.

# IV. Annual Leave Carryover Limit

No employee may have in excess of 30 days (inclusive of holidays) on December 31 of each year. During the calendar year accrued annual leave may exceed 30 days, but those days in excess of 30 will be lost if they are not used before December 31 of each year.

## V. Other Limitations

Annual leave does not accrue during a period of leave without pay when such leave is for ten or more days within a calendar month. Annual leave is granted on a basis of workdays, not calendar days. Non-workdays such as weekends and holidays falling within a period of annual leave are not charged as annual leave. Annual leave must be earned before it can be authorized and is deducted from the employee's accrued leave in increments of not less than 15 minutes.

Upon termination, resignation, retirement, death or other action by which a person ceases to be an active employee of the University, the amount due the employee or his/her estate from accrued annual leave or holiday leave, not to exceed 30 working days, inclusive of holidays, shall be included in the final pay to the employee. No employee receiving such additional compensation shall return to University employment until the number of days for which he/she received additional compensation has expired.

May 25, 2023 (Proposed Revision) effective July 1, 2023 May 21, 2020 (Revised) January 31, 2019 (Sick Leave Section Replaced by BP 420.3) June 6, 2003 (Revised) June 9, 1995 (Revised) January 20, 1984 (Revised) April 15, 1983 (Revised) November 9, 1979 BOARD POLICY 420.3

#### SICK LEAVE

#### I. Definition

Sick leave is a benefit available to University employees who are employed half-time or greater and on at least a nine-month appointment period. Paid sick leave is not granted as vacation leave and can be used only when: (1) the employee is unable to perform the employee's regular duties because of sickness or injury or (2) for treatment by or consultation with a licensed health care provider.

Sick leave may also be granted to employees due to the death or serious illness of a member of the employee's immediate family. Immediate family shall mean the employee's parent, sibling, spouse, child (including an adoptive child), grandparent, grandchild, in-law, or any individual acting as a parent or guardian of the employee. Serious illness for the purpose of this policy includes pregnancy- and maternity-related health conditions.

## II. Requests for Sick Leave

An employee shall be required to furnish to his or her supervisor a certificate from an attending health care provider for five or more consecutive days of sick leave and may be required to furnish a certification for purposes of the Family and Medical Leave Act (FMLA) for a serious health condition that continues for three or more consecutive days. An employee may also be required to provide a medical certification for other absences under a campus, division or unit attendance policy reviewed by the Office of General Counsel. A certificate from a Christian Science practitioner listed in the Christian Science Journal may be submitted in lieu of a physician's certificate.

Each campus, division, or unit is authorized to establish and enforce policies requiring employees to make timely notification to supervisors in the event that unscheduled sick leave is required, and regarding return-to-work procedures.

Requests for sick leave shall be submitted in advance, unless the circumstances make this impracticable. In that event, a request for sick leave must be submitted within two days after the employee returns to work.

## III. Sick Leave Accrual

An eligible, full-time (100%) employee accrues sick leave at the rate of eight hours for each complete month of service, up to a maximum annual carryover of 960 hours. Eligible employees working less than full time accrue sick leave in the same proportion to time worked.

<sup>&</sup>lt;sup>1</sup> Medical residents employed at UAMS are subject to the UAMS sick leave policy set out in the Resident Handbook established through the Graduate Medical Education Resident/Fellows program.

Sick leave may not be accumulated during a leave without pay when such leave totals ten or more days within a calendar month.

When an employee is laid off due to budgetary reasons or curtailment of University activities and within six months again becomes an employee of the University, accrued sick leave may be restored to his/her credit.

# IV. Use of Accrued Sick Leave

## A. General

Sick leave is granted on a basis of work days and not calendar days. It is deducted from the employee's accrued sick leave in increments of not less than one-fourth hour. Non-workdays such as weekends and holidays when the employee would not ordinarily work falling within a period of sick leave are not charged as sick leave.

Sick leave may be granted only for a period when the employee is in an appointed status. For the purpose of this policy, academic employees who are in paid status during the summer term will be considered to be in appointed status. For academic employees on less than a 12-month appointment, sick leave that begins during the Spring Semester shall not extend into the Summer Session and may resume in the Fall Semester if the employee is otherwise eligible for sick leave and has received a benefits eligible appointment for the Fall Semester.

Absence due to illness or disability, except in case of leave for pregnancy- or maternity-related health conditions, is charged first to sick leave, and next to any remaining available leave in the order dictated by payroll procedures.

## B. Worker's Compensation and FMLA

An employee who is absent from work due to a temporary occupational injury or illness and who is entitled to Worker's Compensation Benefits may, upon proper application, utilize their accrued sick leave as a supplement to Worker's Compensation so as to receive weekly benefits from both sources equal to but not in excess of their normal weekly pay at the time of the injury or onset of illness. This option, when exercised, will reduce the employee's accrued sick leave on a basis proportional to the sick leave pay being claimed. An employee receiving Worker's Compensation benefits for a permanent disability is also eligible to utilize accrued sick leave.

Sick leave shall run concurrently with leave taken under the Family and Medical Leave Act.

## C. Maternity-Related Health Conditions

Sick leave may be taken for pregnancy- and maternity- related health conditions and will be treated as any other leave for sickness or disability except that: (1) no health care provider certification will be required for the first four weeks following the birth of the child, and (2) the employee taking leave for a pregnancy- or maternity- related health condition may elect to take leave of absence without pay without exhausting accumulated annual and sick leave. Upon return from leave the employee will be given the same or comparable position to the one occupied prior to the leave. The employee is expected to provide the employee's supervisor as much notice as possible prior to beginning leave for a pregnancy- or maternity-related health condition, and at least two weeks' notice prior to returning to work from pregnancy- or maternity- related leave. Both notices must be in writing.

## V. Payment for Accrued Sick Leave at Retirement

Employees who retire receive no payment or other compensation for accrued sick leave.

BOARD POLICY 420.5

#### COURT AND JURY LEAVE

## I. Purpose

The purpose of this policy is to establish leave procedures for the purposes of jury duty or serving as a witness in a court proceeding for employees at any campus, division or unit of the University of Arkansas System.

# II. Employees as Jurors

Any employee serving as a juror shall be entitled to full University compensation in addition to any fees paid by the court for such services. Such absences shall not be counted as annual leave.

Where service on a jury would substantially interfere with the execution of the University work schedule, the chief administrative officer of the campus may, after consulting with the University's Office of General Counsel, petition the judge in writing to exempt an employee from such service. However, if an exemption is denied or if no response is received prior to the date jury duty is to begin, the individual must report for jury duty. An employee who is summoned to serve on jury duty shall not be subject to discharge from employment, loss of sick leave or vacation time, or any other form of penalty as a result of his or her absence from employment due to such jury duty, upon giving reasonable notice to his or her supervisor of the summons. Employees serving as jurors should return to work as soon as their services are no longer needed by the court.

## III. Employees as Witnesses

When an employee is subpoenaed as a witness it will be determined through the employee's administrative chain, in consultation with the Office of the General Counsel, if the employees' testimony is within the scope of their employment. Due to the nature of their employment, law enforcement employees may be treated differently. Employees who are called as witnesses for cases in which their testimony is in the scope of their employment are entitled to their salary with no charge to leave for their absence. Depositions or statements which involve the University may be taken during duty hours. Employees who are called as witnesses on matters outside of the scope of their employment shall take annual leave. Nine-month employees, if subpoenaed to testify on matters not related to the University or their scope of employment, will coordinate the scheduling of testimony with their administrative chain to ensure that the absence does not interfere with their University employment duties and is in keeping with applicable leave policies. Use of depositions is preferred for non-scope of employment testimony and should be handled during off-duty time or while the employee is in leave status.

# IV. Employees as Expert Witnesses

An employee who intends to serve as an expert witness in a legal matter must comply with University conflict of interest policies, which require disclosure and review of all possible conflicts of interest and commitments. This includes the requirement to comply with all applicable outside employment rules, including Board of Trustees Policy 450.1 *Outside Employment*, which requires prior approval of all outside employment by all full-time faculty and specified staff members. Employees who are retained by a party or by a court as expert witnesses and paid a fee in excess of the normal witness fee set by statute or court rule shall take annual leave for the time required for such testimony. Employees who do not accrue leave should coordinate their absence with their administrative chain to ensure no disruption of their University employment duties.

BOARD POLICY 420.6

# LEAVE WITHOUT PAY

## I. Purpose

The purpose of this policy is to establish procedures for granting a leave of absence without pay for an employee of any campus, division or unit of the University of Arkansas System.

# II. Approval of the President and Duration

The President's approval, upon the recommendation of the chancellor or chief executive officer for each campus, division or unit, is required for any employee's request for a leave of absence without pay, unless such leave is requested in accordance with the provision for military leave, the Family and Medical Leave Act, or the Americans with Disabilities Act, in which case the request may be approved by the chancellor, chief executive officer, or a designee.

Leave of absence without pay shall not exceed six months, provided that the President may under special circumstances approve leave without pay for an additional six months.

# III. Limitations

Leave without pay is not to be granted, except in the case of a maternity-related health condition (See Section IV. B. of Board Policy 420.3), until all of the employee's accumulated annual leave has been exhausted, and any employee on a leave of absence without pay does not accumulate annual leave, participate in the group insurance programs to which the University makes a contribution, or receive pay for any legal holidays. An employee may continue participating with the insurance programs provided arrangements are made in advance with the campus human resource office to assume full payment of the premium costs.

# IV. Disciplinary Actions

The chief executive office of a campus, division or unit may place an employee in a leave-without-pay status for disciplinary reasons consistent with other Board and UA System Policies and Procedures and in accordance with the written employment policies of the unit involved. In this instance, the individual is not required to exhaust annual leave and sick leave before being placed in leave-without-pay status.

May 25, 2023 (Proposed Revision) effective July 1, 2023 May 21, 2020 (originally part of 420.1 and 420.2)

BOARD POLICY 450.1

# OUTSIDE EMPLOYMENT OF FACULTY AND CERTAIN STAFF MEMBERS FOR COMPENSATION

While emphasizing the fact that full-time faculty and full time, exempt<sup>1</sup> staff members (including, but not limited to, senior administrators) of the University are obligated to devote their working time and efforts primarily to University activities, the University recognizes that a limited amount of outside work for private compensation may be advantageous to all concerned. Such persons are therefore encouraged to engage in outside employment which will affirmatively contribute to their professional advancement or correlate usefully with their University work. This employment shall not interfere in any substantial way with the employee's University duties nor conflict with his/her University assignments.

Written approval from the employee's department head and/or dean shall be obtained in advance of such outside employment. Each dean or similar officer shall keep records on outside employment by personnel in his/her college or administrative unit and shall prepare an annual report on such outside employment. The report should include actual time spent during the reporting period. Such records shall be reviewed periodically by the appropriate administrators and shall be submitted to the Chancellor, Vice President for Agriculture, or chief executive officer for the unit (or a designee who is a senior administrator) by September 30 of each year.

It is the employee's responsibility to make clear that, with respect to the outside employment, he/she is not acting as an agent or representative of the University. University facilities or property shall not be used except with permission of the department head or dean, taking into account the best interests of the University, and the payment of appropriate fees may be required. Prior approval is also required for concurrent employment with another university unit or state agency, pursuant to Arkansas Code Ann. § 19-4-1604 & Arkansas Code Ann. § 6-63-307.
