PROFESSIONAL EXPERIENCE**Assistant Vice President/Executive Director | The Bush School of Texas A&M University | Washington D.C. 2020-Present**

Launched Bush School of Government and Public Service location for the University, starting first students for graduate degrees in international policy and national security/intelligence; then adding elements from across the university, all into an urban setting

- Managed renovation of 60K sq ft downtown office space to support classes, workshops and conferences
- Developed strategic plan and determined organizational construct to support rapid growth
- Designed curriculum and managed faculty and staff hiring. Authored academic licensing through Texas and DC govt.
- Established first marketing communications plan using multiple platforms to include digital, print and broadcast medias
- Managed multi-million donor fund; raised additional 750K in first year and established multiple donor opportunities
- Connected with the press, universities, Congress, think tanks, foreign countries, industry associations, related corporations and multiple govt agencies, making The Bush School part of important policy discussions

President | U.S. Air Force Academy | Colorado Springs, CO 2017-2020

Educate, train and inspire 4,000+ students to become leaders of character. Oversee all aspects of Academy including training, academics, faculty, athletics, admissions, Prep School and base infrastructure. Manage 5,700 military and civilian personnel.

- Organized teams across all functions of the Academy to present 9 Arguments to the Higher Learning Commission, resulting in the highest possible Accreditation Rating in 2019 for the 10-year comprehensive accreditation evaluation
- Air Force-leading innovation in IT Systems over all aspects of the institution; using Cloud, BYOD, connection to broad Academia
- Increased class diversity from 29% (2020) to 33% (2024 most diverse class ever) and women from 21% to historic high of 28%
- Pushed for legislative change allowing Academy professors to publish their work, increasing retention
- Increased number of academic support staff by 200+ personnel, improving student contact time and retention
- Secured over \$45M in research funding, resulting in 14 patents since 2017 with 6 pending for student-led research
- Maintained USAFA's #1 Funded Undergraduate Research Institution ranking with National Science Foundation
- Ground-breaking realignment of Director of Athletics role, resulting in funding through the Athletic Corporation Foundation (vs. government employee) and enabling position to do business development and fundraising
- Worked with Congressional members on legislation supporting 501(c)(3)s; for inclusion in the next Defense Bill
- Established longitudinal data to correlate the USAFA development experience with post-graduation student performance
- Advisor, Academy Athletic Corp Board; led the hiring of new Chairman and engaged board members to support newly aligned structure, increasing revenue by 15% and sponsorship by 14%
- Secured \$158M for national landmark and \$49M in funding for new dormitory from Congress.
- Improved Sexual Assault Prevention Healthy Relationships Training; described by NCAA Culture/Climate organization as "best training in any institution"; 67% surveyed said it changed their behaviors; adopted by numerous universities

Chief Operations Officer | U.S. Central Command | Doha, Qatar 2016-2017

Responsible for 24/7 coordination of air, space and cyber capabilities from 22 countries across 50 global locations into a synchronized force. Evaluating and managing risk in a complex combat environment.

- "Drove unprecedented levels of integration across the joint force, revolutionizing Air Force combat operations."
- "Persistent capability assessments maximized sourcing and readiness, refining strike/rescue/ISR forecasting tools."

Chief Executive Officer | Air Force Warfare Center | Las Vegas, NV 2014-2016

Directed 11K across 22 states responsible for developing graduate-level curriculum for the tactical execution of multiple weapon systems, conducting advanced combat exercises and the research, testing and evaluation of new combat systems.

- Implemented program development and Weapons Instructor Course for launch of the new F-35 Joint Fighter aircraft while maintaining expected timelines; 1st general officer qualified to fly the aircraft
- Led the successful execution and early completion of \$7B classified DoD-wide program
- “His crystal-clear vision resulted in the transformation of emerging technologies into combat capability and the fielding of numerous major weapon systems crucial to the military preparedness of the U.S.”

Vice President for Security Assistance | Office of Security Cooperation | Baghdad, Iraq 2012-2013

- Managed \$22B Foreign Military Sales portfolio with Iraq; Delivered 800% increase in Improvised Explosive Device detection
- Led over 140 Iraqi leader engagements. “His handling of the most complex geopolitical issues helped lay the foundation for a long-term strategic partnership between Iraq and the U.S.”

Chief Compliance & Risk Officer | Air Combat Command | Hampton, VA 2010-2012

- Led the Air Force’s largest compliance review and evaluation team
- Streamlined Air Force-wide inspection process, reducing redundant inspections, saving 20% in man-hours and cost
- Aligned inspections with deployment cycle, dramatically reducing time spent on inspections, increasing unit mission time

Chief Executive Officer | 48th Fighter Wing | Lakenheath, England 2008-2010

- Led Europe’s largest Air Force installation (8,200 military/civilian personnel); managed \$380M budget, \$441M Master Development Plan and \$8B in systems
- Propelled organization to be awarded #1 USAF Air Superiority, USAF Best Hospital 2009 and USAF #3 in Energy Reduction
